Zoom Download & Audio Settings:
- Download: zoom.us/download
- Use the downloaded app, not the in-browser version.
- Open app
- In the lower left corner, select "Settings" then "Audio", scroll down to "Microphone modes" and select "Original Sound for Musicians".
- Disable any noise-cancellation software. (Instruments are "noise" to most software.)

Link / Meeting ID / Password: (same for all lessons)
- Link: https://sdstate.zoom.us/j/6803716030
- Meeting ID: 680 371 6030
- Passcode: Abraham

Preparation Checklist:
- Isolate area from noise (pets, fans, family activity, etc.).
- Face a primary light-source with music stand to your left.
  (This enables a view of technique, rather than back of a shoulder.)
- Position camera securely (not on the music stand).
- Distance self from camera to enable consistent visibility above the abdomen.
  This should include both hands, elbows, and head while playing.
- Raise volume to enable guidance while playing.
- Healthy practice and lesson posture is always upright (standing).

Have In Lesson:
- Digital tuner (free apps available for phones and computers)
- Digital metronome (free apps available for phones and computers)
- Music stand, pencils, sheet music

Recommended:
- Use desktop or laptop when available. Avoid pads and phones.
  This supports aural and visual communication, observation, and available settings.

Make-Up Lesson Policy::
- Notification of absence at least one week prior, by text or email, guarantees makeup lessons. I am always happy to reschedule with due notice.
- Rescheduling may take up to 10 days to find availability.
